

Crisis Planning

Temporary Credible Mobile Order

To prepare for a potential loss of power, we strongly recommend downloading all clients to your mobile app. If you are not currently contracted for a Credible Mobile solution (e.g., Credible Care), but need it, please contact us. During emergencies, Credible will grant Agencies access to mobile applications for up to thirty (30) days.

To request temporary access to Credible's Mobile solutions, please complete the form below.

Crisis Service Provided

If desired, Credible will provide the following service to a Partner Agency. Please initial the service.

_____ **Credible Mobile Access:** The Agency's Domain will be enabled for use of Credible's Mobile applications for up to thirty (30) days from the Crisis Activation Date.

Authorization

By your signature below you authorize Credible Behavioral Health, Inc., to enable Credible Mobile Solutions for your Agency's Domain. This access will last for up to thirty (30) days from the date of the signature below.

Signature (CEO/ED): _____ Date: _____
