Subject: Credible Care App Version 1.6.1 Now Available!

DEAR PARTNER,

Credible Care version 1.6.1 is now available in the App Store. This release addresses an issue that could cause duplicate admin time entries to be created for users that schedule admin time in disconnected mode.

If you believe that your Agency has been affected by this bug, Credible can assist with removing the duplicate admin time records. Please open a task ticket or contact a Partner Service Coordinator at 301-652-9500 for assistance.

Thank you for your continued Partnership,

Dan Allison
