## Credible Hurricane Relief

DEAR CREDIBLE,

**Credible Launches 100% free cloud based Behavioral Health software for Hurricane Harvey Behavioral Health Care Providers**

ROCKVILLE, Maryland - September 1, 2017 - Credible Behavioral Health today introduced "Credible Hurricane Relief" services for any and all Behavioral Health Houston Providers negatively affected by Hurricane Harvey.

Credible's Mission is to improve the quality of care and life in behavioral health and today, many Agencies' electronic records and paper records have been lost or are inoperable. Credible will provide free serve and proven software for 12 months so care providers can focus on those in Houston needing behavioral health services and not worry about purchasing or installing software. Our team of service and tech professions have preconfigured the software to allow an Agency to begin clinical documentation within hours. Folks in Houston need help now. Our simplified documentation and tracking system enables providers to get key information when and

where they need it. Credible's Mobile solution which can be utilized in both online and offline modes on either Apple or Android devices, is perfect for staff in the community, in shelters, and in evacuation centers. All providers need to do is call or email ([hurricanerelief@credibleinc.com](mailto:hurricanerelief@credibleinc.com)) and we will start the process immediately.

As Houston shifts from evacuation efforts to recovery, Credible can provide web or mobile-based solutions immediately without any Agency investment at all. Known as secure, proven, easy to use software for clinics, community, residential, and mobile care providers, Credible leads the industry in innovation and customer service.
