Behavioral Health Software

DEAR CREDIBLE,

Based on feedback from our recent **Integrated Primary Care** billing webinars, Credible will be offering a complete demonstration of the module in a webinar on **Thursday, November 1st** from **2:00pm-4:00pm EDT**. This session will cover all features of Integrated Care — setup and configuration, provision of client encounters, and billing.

Credible Integrated Primary Care is designed for behavioral health entities providing primary care services including fundamental primary care billing. Please join Credible Integrated Primary Care experts for this interactive session where we will review in-depth the configuration, Credible Best Practice workflows, and recently released functionality and features.

**Credible's Integrated Primary Care is a Credible Premium module**, and requires separate contracting. From now until November 15, Credible is offering interested Agencies the ability to finance the one-time fee over 36 months. For more information on this limited-time offer, please contact your Partner Relationship Manager.

Thank you for your continued Partnership,

**Hope Winkowski**
