CREDIBLE

Behavioral Health Software

DEAR CREDIBLE,

In consideration of the PASSE go live delay of March 1, 2019, Credible will be rescheduling the PASSE webinar series for January – March 2019. This will ensure Credible provides our Arkansas Partners with the most up to date information from the PASSE payers.

Please remember – your current step to prepare for the PASSE is to ensure you are contracted as an in-network provider for at least one of the 4 PASSE payers and have completed the EDI applications to submit electronic claims.

Credible looks forward to supporting our AR Partners as you begin the journey to PASSE.

Thank you for your continued Partnership,

Jaclyn O'Donnell
