**Dear Credible -**

As a reminder, Credible's **Summer 2017 Business Intelligence Training** is being held **July 25-27, 2017** at the new Credible Headquarters in Rockville, MD. This essential training is designed to support multiple user experience levels, and covers basic utilization, configuration, and security of this valuable graphical reporting tool.

In order to maximize your Agency's use of this advanced software module, Credible highly recommends that all new Credible BI users attend this training. We strongly suggest that experienced users who have not attended a Credible BI training in 2016 or 2017 attend, as many new features were added in January 2016. Click here for a list of enhancements and improvements.
