CREDIBLE

Behavioral Health Software

DEAR CREDIBLE,

To better support Credible's growing Partner community, Credible will be providing a full week of training courses **October 15-19, 2018** in **Portland, Oregon**.

Billing Training: October 15-16, 2018

This essential training is designed to support users needing an introduction to or refresher for Revenue Cycle Management. Topics will include Pre-Billing, Batchring, Posting and A/R Management, Month End Close, and Billing Configuration Maintenance.

BI Training: October 15-17, 2018

This essential training is designed to support multiple user experience levels, and covers basic utilization, configuration, and security of this valuable graphical reporting tool. In order to maximize your Agency's use of this advanced software module, Credible highly recommends that all new Credible BI users attend this training. Additionally, if your staff have not attended a Credible BI training since 2015, we strongly

urge you to maximize your investment in this business analysis and graphical reporting tool.

Note: You must have purchased the Credible Business Intelligence module in order to attend this training.

EHR Admin Training: October 18-19, 2018

This training is essential for new Credible EHR Admins and will cover important concepts and key drivers that will assist in creating and maintaining a healthy Credible Domain.

Mark your calendars now! You don't want to miss the opportunity to enhance your knowledge and skills in the Credible software.

Look out for more information and registration, and we hope to see you in Portland!
