Early-Bird Registration Now Open!

Dear Credible,

Early-Bird Registration is Now Open!

In March 2017, Credible celebrated the Tenth Annual Partner Conference with our biggest event ever! More than 600 Partners from 157 Agencies attended over 175 sessions and two keynote addresses - a total of 24 hours of programming provided by Credible's executive leadership and product experts, 6 guest speakers, and - most importantly of all - 30 Partner presenters representing 22 Agencies!

Credible may have set new records with the 2017 conference but in 2018 the **11th Annual Partner Conference** is going to exceed those standards - it will be the best ever!

if you are new to Credible, Credible's Partner Conference is the largest gathering of Credible Partners, users, and Agencies in the country. The conference features sessions for all user roles and experience levels, along with complimentary personalized Live Help with Credible experts. Industry insiders will help Partners maximize their use of Credible's software to improve the lives of their clients and fulfill their Agency's mission.

The 11th Annual Credible Partner Conference will be held in Baltimore, Maryland, from March 27-29, 2018, providing you and your Agency insight into industry and market changes, important training opportunities, information on software updates, and many opportunities to network with both industry colleagues and the Credible team. This year there will be even more sessions, even more speakers, and even more CEUs available! Grab your co-workers — group discounts of up to 25% are available — and gain a deeper understanding of how Credible will maximize your technology investment!
