## Keynote Speaker Announced!

### Meet Credible's Keynote Speaker, Christopher Kennedy Lawford!

In recovery for more than 30 years from drug addiction, Lawford was first diagnosed with depression in 1979. Currently, he is managing symptoms of low level manic depression, which has been an underlying cause in his battle with substance abuse. Co-occurring mental illness and substance use disorders has been present in his family throughout the generations, and is an issue Lawford can proudly address and analyze in both the public and private sectors. He currently works with the United Nations, the Canadian Center on Substance Abuse, the White House Office on Drug Control Policy, and the World Health Organization.

In 2009, California Governor Arnold Schwarzenegger appointed Kennedy Lawford to the California Public Health Advisory Committee. In 2011, he was named Goodwill Ambassador for the United Nations Office on Drugs and Crime to promote activities supporting drug treatment, care, and recovery. He also serves as national advocacy consultant for Caron Treatment Centers.

Christopher Kennedy Lawford's *New York Times* bestselling memoir, *Symptoms of Withdrawal*, offered readers a startling, first-hand look at his own addiction to drugs and alcohol, prompting *People* magazine to write, "Few have written so well about the joy of drugs, and few are as unsparing about their drug-driven selfishness". In his bestselling follow-up, *Moments of Clarity*, Lawford presents "Voices from the Front Lines of Addiction and Recovery." With contributions from Tom Arnold, Alex Baldwin, Meredith Baxter, Jamie Lee Curtis, Richard Dreyfuss, Anthony Hopkins and many others, *Moments of Clarity* is an important addition to the literature of recovery.

Credible is delighted to have Christopher Kennedy Lawford as our keynote speaker at the 2018 Partner Conference! Mr. Lawford will be sharing his story about his own addictions to drugs and alcohol and his journey to recovery.

Following his presentation, Christopher Kennedy Lawford will be available to sign copies of his book ***"Moments of Clarity: Voices from the Front Lines of Addiction and Recovery"***.
