Technical Advisory Board Collaboration

DEAR PARTNER,

Credible is excited to announce the reinvigoration and reorganization of our Technical Advisory Board (TAB). As part of our commitment to enhancing Partnership through collaboration, Credible is seeking one representative from each State to serve on this reconstituted board. Ideal candidates will be able to work collaboratively with all Partners within their state, other advisory board members, and Credible management. Additionally, advisory board members must be able to prioritize the good of all Partners above that of any one organization. This appointment requires full participation in all State User Group meetings and in all Technical Advisory Board meetings.

A job description for Technical Advisory Board members can be found by [clicking here](#). Nominations can be submitted by completing the information contained within this [nomination form link](#). Once nominations are received, Credible will review the nominations and begin the selection process.

Questions can be sent to Credible Collaboration at collaboration@credibleinc.com.

Thank you for your continued Partnership,

Jaclyn O'Donnell
