Early-Bird Registration Now Open!

Dear Jaclyn,

Partner Conference Early-Bird Registration is Now Open!

In March 2018, Credible celebrated the Eleventh Annual Partner Conference with our biggest event ever! More than 650 Partners from 200 Agencies attended over 200 sessions and two keynote addresses - a total of 165+ hours of programming provided by Credible's executive leadership and product experts, 10 guest speakers, and - most importantly of all - 31 Partner presenters representing 25 Agencies!

Every year the event grows in attendance and number of sessions, and without a doubt, our **12th Annual Partner Conference** will be the best one yet - we are expecting over **1,000 Attendees** representing over **75% Agencies** from **36 States**. This is one conference you won't forget!

Are you are new to Credible and wondering what this is all about? Credible's Partner Conference is the largest gathering of Credible Partners, users, and Agencies in the country. The conference is three remarkable days in a premier venue where Partners can take advantage of informative and education sessions intended for all user roles and experience levels. Along with complimentary personalized Live Help with Credible experts, industry insiders will help Partners maximize their use of Credible's software to improve the lives of their clients and fulfill their Agency's mission.

In 2019, for the first time in history, Credible's Partner Conference will take place in the astonishing **Hyatt Regency Crystal City in Arlington, Virginia from February 25-28, 2019**. This top-tier property will provide you with a comfortable and beautiful environment for your learning and networking experience.

At this premier event, Credible goes above and beyond to provide you and your Agency insight into industry and market changes, important training opportunities, information on software updates, and many opportunities to network with both industry colleagues and the Credible team. This year will offer even more sessions, even more speakers, and even more CE credits! Grab your co-workers — group discounts of up to 25% are available — and take a deep dive into the myriad ways that Credible can help your Agency maximize your technology investment!

Early-bird pricing is available now, but only until October 31, 2018! [**REGISTER NOW!**](#)
